What if there were an organization that recognized your own unique expression and human potential? What if that same organization represented the most highly trained practitioners who could provide specific, gentle care so that you could function at your greatest capacity? What if this organization of practitioners knew how to care for children by honoring women throughout their pregnancy and motherhood?

These are the principles and promises of the ICPA and its community of 6,000 doctors of chiropractic. These 6,000 ICPA members have come together to serve families, the heart and home of our human potential. The loving and gentle care of chiropractic for each individual strengthens the family, strengthens the community, and opens the possibility for a greater tomorrow.

Welcome to Pathways to Family Wellness magazine...our avenue for bringing chiropractic principles into practice for a more purposeful and fulfilling family life.

For the raising of the consciousness,
Jeanne Ohm, D.C.
