

The Truth About PITOCIN

Written by Elaine Stillerman, LMT

Monday, 01 June 2009 00:00 - Last Updated Monday, 09 December 2013 10:34

** Excessive amounts of blue cohosh can raise maternal blood pressure to dangerous levels and might have an overdosing effect on the baby. A naturopath or herbalist should be consulted before recommending this or any herb to pregnant clients.*
